

Crawford County Educator-in-the-Workplace Act 48 Program

EDUCATOR EVALUATION FORM

Dear Educator:

Thank you for participating in this initiative that seeks to bring school-based and work-based learning closer together. Please complete the evaluation with the following considerations:

- Type or clearly print your responses.
- Your answers should be concise.
- Since your response may be used in a formal report, please form your answers into complete sentences. The final report will print what is submitted.
- If more space is needed, please attach a separate sheet.
- When completed please mail or fax to:

Tracey C. Larson
Crawford County School-to-Work
860 Thurston Road
Meadville, PA 16335
Phone: 814-337-8202
Fax: 814-337-0602

Name: _____

School & District: _____

Employer Site: _____

What is your background? What subject(s) do you teach? How long have you been teaching? What are your responsibilities in the school? Have you had other workplace experiences? Please explain.

How did this experience help you to better understand School-to-Work as a system for all students? What was the immediate value and what do you think might be the long-term advantages? What is your level of satisfaction with this experience? Did the experience meet your expectations? How will you present this experience to students, community members and parents? Which aspect of this experience proved most beneficial to you? Are there aspects you would change if you were to repeat this experience?

How will you practically use this experience? How will your teaching strategies change or be reinforced? Will you plan or facilitate meetings with your school district teams or curriculum specialists to exchange ideas and share the information you have acquired with school boards, parents and professional associations? Did you invite your business host to assist with the development of your lesson plan? Did you include activities that connect your host site with your students?

What did you do, see and learn?

Please rate your experience: 7 6 5 4 3 2 1
